The Honorable Kay Granger
Ranking Member
House Committee on Appropriations
U.S. House of Representatives
Washington, D.C. 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Hale County Storm Shelters Project in fiscal year 2023. The entity to receive funding for this project is the Alabama Emergency Management Agency located at 5898 Co Rd 41, Clanton, AL 35046.

The funding would be used to provide six desperately needed storm shelters throughout Hale County to provide residents locations to safely seek shelter during severe weather events. This project would fund the construction of 6 storm shelters in Hale County Alabama. Many rural areas across Alabama's Black Belt, including communities in Hale County, do not have access to storm shelters. The construction of these shelters would create a safe location for residents to seek shelter during the severe storm events that frequently impact Hale County.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Terri A. Sewell
Member of Congress
